INTERNSHIP

- **Role:** React-Frontend Developer
- **Company:** DevAppSys. IT Solutions Pvt Ltd, Mangalore
- **Duration:** 04/2023 - 07/2023

PERSONAL PROJECTS

1. **Omni Food:** Front-end project where I worked independently as the sole developer. I utilised HTML, CSS, Bootstrap, and jQuery to create a user-friendly interface. The project featured food availability, ordering options, city selection, testimonials, and contact details. [Link](#)
2. **Sugasan:** The web Application was developed solely by me, where I utilised HTML, Bootstrap, JavaScript, and PHP. The application included features such as customer management, branch addition, product and pricing management, and bill generation [Source-Code](#)
